Address: \_\_\_\_\_

### **Requirements for application:**

- Who are you? Give us a sense of your background, motivation, and experience with mycology. Who have you collaborated with? What are some previous projects have you been connected with?
- What is the name and concept of your current project/program/initiative?
- What issues are you specifically trying to address?
- What are the broader implications for the mycology community as a whole?
- Clearly state the goals of your proposal.
- How will you accomplish those goals?
- How will you measure the success of your project?
- Outline a budget, how will you utilize the scholarship money?
- What next steps do you propose to pursue?
- Why are you a deserving candidate for this scholarship?
- Please provide at least one letter of recommendation or endorsement for someone with mycological experience.
