

SOMA Camp Scholarship

Deadline for application Dec. 31, 2019

In order to encourage younger students to come to camp, we are instituting this new, exciting scholarship opportunity. If you are in a grade 4th to 12th and have an interest in mycology, we encourage you to participate in this opportunity. Please follow the instructions below and provide the information needed. If awarded, you will receive a day at mushroom camp for yourself and an adult. This will include breakfast and lunch as well as a chance to participate in all classes, forays, and other activities from 8AM-5PM. You can attend the Saturday or Sunday activities. If you are awarded this scholarship and wish to attend the full camp (Saturday all day – Monday 1 PM), you will be asked to pay ½ of the usual camp payment which for this year will be \$200 per person (half of the usual \$400 camp fee).

Name: _____

Age: _____

School: _____

Contact information: _____

Adult who will accompany you: _____

We ask that you write an essay that includes at least.....

- One paragraph telling us about yourself and your interests.
- Another paragraph telling us why you have an interest in mycology and how that interest developed.
- A third paragraph explaining to us how you plan on using what you learn at SOMA camp for your future goals.
- Finally, tell us why you are the strongest candidate for this scholarship?

You will need to have either a parent's or a guardian's signature as well. If the adult accompanying you to camp is not either of these then you will need that adult's signature agreeing to be with you the whole time at camp.

Please send submission to Rachel Zierdt at rzierdt@gmail.com
